Harold Brown, President  
Grand Oak Hill  
4168 Juniata  
St. Louis, MO 63116

Dear Mr. Brown:

McDonald's has abandoned their plan to relocate to the old Sears site on S. Grand at Winnebago and is subsequently closing their existing site.

Pyramid Construction has applied to transfer the MHDC Tax Credits from the McDonald's site at Grand and Chippewa to the Sears site at Grand and Winnebago.

The site plans are enclosed for your review. I am available for questions and comments. Please share this information with your neighborhoods.

Thank you for your careful consideration.

Sincerely,

Jennifer A. Florida  
Alderwoman, 15<sup>th</sup> Ward
